The Treaty of Versailles granted Shandong to the Japanese despite the fact that it was part of China continental. Unfortunately, there are also violent border changes, such as the Annexión de Crimea by Russia or The war in the Sudan, which has led to the creation of South Sudan. Hitler used this as a pretension to invade Poland in 1939, starting the Second World War. The French were awarded a mandate over an area that finally became Lebanon and Syria. The British and French were concerned about fourteen points. They continued to be part of the Soviet Union until its collapse in 1991, when the Black nations returned to become independent. The British were given mandates on land that later became Iraq, Jordan and Israel. Nine months later, in January 1919, President Wilson articulated the "fourteen points" as a basis for negotiating a peace agreement. Hitler argued that the peace was imposed on a loser, a victory means the peace imposed on the vanquished under coaccion, in an intolerable sacrifice, and leave a grudge a resentment, a bitter memory upon which to rest the end of peace, not permanently, but only as one quicksand.
