My shoulders began to get bigger and rounder. At least half of the weight I gained was body fat. Simply put, meal plans do not allow this. I want you to know who's going to be with you on this journey. Most muscle-building programs result in this: You end up adding slabs of fat (this makes you look puffy). I was lifting weights I never thought I could lift. The success of this program relies on having a gym membership or building your own home gym. They had typical bulky gym bodies. 2. That is the physique that I wanted to build, but none of the fitness experts had that physique. You have to follow a sensible strategy that works with your body to put on minimal fat, increase strength and support amazing changes. Building an amazing body is a process and you certainly can't hinge yourself to a lean and chiseled body. You can achieve this with your favorite foods, which makes reaching your ultimate goals practically effortless. He had incredible shoulders and a steel-plate chest. Fast forward a few years later, and you're looking at the Greek God Program 2.0. I always update my programs with the newest and latest strategies for building the Hollywood Physique and maximizing muscle growth in the key areas. 3. You spend hours and hours in the gym every week with nothing to show for it. The Proven Path to Hollywood Physique. I remember watching one of my favorite movies, Troy with Brad Pitt. My upper chest became thicker. His physique was flawless. Given that this program is extremely laser-focused and strategic, you will start to see results almost immediately. Of course, to create the full effect it will take 24 weeks to take your body from where it is now to an incredible transformation. Just a few months after public release, the transformations were insane! Thousands and thousands of people had used this program to gain up to 25lbs of perfect muscular proportion. My physicist was turning into Brad Pitt of Troy. "The Hollywood Physique." I knew people needed that. We were doing a typical bodybuilding routine: Eat 4000 calories a day Going to the gym 5-6 days a week Within 6 months I had gained around 18 pounds. You will have support and responsibility from KinoTeam as well as the private Facebook Group. They didn't eat six times a day for 4,000 calories or spend hours in the gym every week. This program is designed to give you as much freedom as possible. No matter the level of experience, you can start the Greek God Program today! Within the program, everything is laid out for a hassle-free experiment. We prefer to give you the tools to calculate the amount of calories, proteins, carbohydrates and fat you need in your diet daily to achieve your goals. So I started to do some research and research. Buy the Greek God Program Now I made this video for 2 reasons: 1. No one had ever given people a simplified system to get the body of the movie star. When I was 18, I started lifting weights with some of my older friends. You see, almost every muscle training program in the world does the same thing. You will also start to look better than ever with your favorite clothes. The Right Way. What I realized was that the physicist I was looking for belonged to the lifters of the early era of the lifting – and what they were doing was completely different. But, here's the kicker: I looked worse. In this program, you will be using weights, benches, dumbbells, dumbbells and machines. My strength shot up. The program also has additional routines to fill a full year of exercises. Gain 8-10 pounds of muscle with... I was getting bulky and sloppy. My face has lost definition and my clothes fit strangely. You become a larger and less attractive version of the. In the first 2 weeks, you'll get better. The Goddess Toning Program is a complete 24-week program.
